RE: **CC Docket No. 02-6**

Dear FCC APPEALS DEPARTMENT:

**ITEM #1  
LETTER OF APPEAL**

This letter is a petition for reconsideration for waiver for Invoice Deadline Extension Request. The original appeal request denied on FCC order DA16-600 on May 31, 2016; with this 30 day window to file for reconsideration.

I would like to further explain the extraordinary reason why Mt Pleasant ISD should be allowed to resubmit FCC form 472 and request reimbursement of committed internet funding.

**ITEM #4****IDENTIFY THE USAC ACTION FOR APPEAL**

This letter of appeal is to request a reconsideration of Invoice Deadline Extension Request previous denied on FCC order DA16-600 on May 31, 2016.

According to the reason given "(denying waiver request for invoice deadline extension from petitioners failing to see an extension before the invoice filing deadline and not showing extraordinary circumstances that would justify waiving the requirement that invoice extension requests be filed before the invoicing deadline.)"

USAC approved Mt Pleasant Erate funding application and committed to it the request ed program support. However, due to circumstances largely outside of it control, the District failed to submit reimbursement requests prior to the invoice deadline date.

Machelle McKay, the consultant, created a list of funding requests for all clients for which the FRNs had balance remaining to collect for Erate reimbursements or credit by the service provider(s). The attached list 21 clients with almost 100 FRNs. With the list complete and submitted to ISAC, one FRN# 2664428 for MT Pleasant that was marked to be placed on the list was not included on the list.

None of the FRNS requested for MT Pleasant were posted on the approved extended FRN list posted on line – how would we know that one FRN was missing?? I assumed all FRNs were approved as I marked them on my list to submit for FRN extension.

Jan 11, 2016, when we filed the BEAR form for April 2015-June 2015, USAC denied our reimbursement request, that was our first notification that FRN# 2664428 was missing on the extension list. I have worked extensively with USAC and the FCC to recover their approved erate funds.

We are requesting (1) to wave any necessary USAC & FCC commission rules and regulations as are necessary to grant this requested relief. (2) to extend the invoice deadline extension for MT Pleasant ISD for FRN# 2664428 (\$ 34,200.03); (3) allow USAC to accept processing the BEAR form (with service provider consent- see attached letter as material witness).

RE: 471# 948569 FRN# 2664428  
FY 2014-2015  
MT PLEASANT INDEP SCHOOL DISTRICT (140598)

Dear FCC APPEAL DEPARTMENT:

This letter is to petition for funding reconsideration to extend the invoice deadline on behalf of Mt Pleasant ISD (BEN #140598) for the remaining approved e-rate funds (\$34,200.03) for internet access services April 2015, May 2015, and June 2015.

During the extension process, COLLECT-ED was requesting an invoice extension for all FRNs that had any remaining balances. The one FRN was accidentally missed in reporting to USAC; Machelie assumed this FRN was included in her list but was not aware until the BEAR form (DENIED – Invoice Received date after 10/28/2015) that the FRN was not included as was previously discussed.

The Commission may waive any provision of its rules on its own motion and for the good of the public interest. In addition, the Commission may take into account considerations of hardship, equity, of more effective implementation of overall policy on an individual basis.

Mt Pleasant Independent School District services over 5,500 students, for internet access to the school district. In funding year 2014-2015, the school upgraded their internet connection to 1GB effective Jan 1, 2015.

Peoples Communication supports every effort made to petition the FCC to grant an invoice extension waiver, to assist MT PLEASANT ISD in approved discounts to better improve their infrastructure to the internet for teaching and learning for all their students.

Thank you,

Brook Rogers  
Director of Sales, Peoples Communication, Inc.

Regina Conroy/Machelles McKay,

Universal Service Administrative Company has received your correspondence dated January 14, 2016, on January 14, 2016 regarding the FY 2014 funding decision of your FCC Form 471 Application Number 948569 - FRN 2664428. *Peoples-1A*

These are the steps that will now follow:

1. We will review your correspondence carefully to identify the specific issue(s) it raises.
2. We will consult the Program Integrity Assurance (PIA) records and all supporting documentation for the application. Our goal is to determine whether the program rules were administered appropriately in processing your application.
3. Once the review process is completed we will respond in writing and state whether your appeal is approved, denied or approved in part. A Revised Funding Commitment Decision Letter will follow for any approved appeal resulting in additional discounts for your application. Funds have been set aside to implement funding decisions for appeals approved by the USAC and/or the Federal Communications Commission.

We will perform an in-depth review of your appeal. Our goal is to respond to you as promptly as possible. We thank you in advance for your patience as we handle your appeal with the care and attention it deserves.

Universal Service Administrative Company

This letter is your notification that the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has processed an FCC Form 472, "Billed Entity Applicant Reimbursement (BEAR)" Form from the above named applicant listing you as the service provider. USAC has committed to reimburse the discounted portion of the cost of eligible services provided to eligible entities pursuant to one or more FCC Forms 471, "Description of Services Ordered and Certification Form".

In certain instances, a line may not have been paid. Review the BEAR Letter Applicant Reimbursement Report (Report) following this letter for the reason(s) this may have occurred. For more information about lines that have not been paid, see the explanation of Invoice Error Codes in Step 9 on our website. Work with the applicant (your customer) to correct any errors. Once corrected, your customer may submit a new BEAR to request reimbursement for any unpaid lines.

We recommend using the BEAR Online tool from the Apply Online area or Required Forms section of our website for additional submissions. If a new BEAR cannot be submitted before the invoice deadline passes, you or your customer may submit a request for a deadline extension. (See "Invoice Deadlines and Extension Requests" posted in the SLD section of our website for more information.)

Pursuant to the Federal Communication Commission's (FCC) Second Report and Order and Further Notice of Proposed Rulemaking (FCC 03-101, released April 29, 2003), you must remit the amount shown as "Total Amount of Reimbursement Approved for Payment" above to your customer no later than 20 days after receipt of payment of the approved discounts from USAC. You also agreed not to tender or make use of the payment of the approved discounts issued by USAC to you prior to remitting the discount to your customer (See BEAR Form, Block 4, Service Provider Acknowledgment).

The USAC check should be mailed to the service provider named above within 20 days of the date of this letter.

Since this serves as approval, an invoice requesting payment must be submitted so that it is postmarked no later than the date found on the USAC website within the Search Tools in order for your request to be considered as timely filed. If you are resubmitting a Form 472, please remember that you should forward the form to the Service Provider as soon as possible to ensure sufficient time to process your request. The invoice should be submitted in accordance with the instructions that are posted in the SLD Forms area of the SLD web site at [www.sl.universalservice.org](http://www.sl.universalservice.org) or are available by contacting the SLD Client Service Bureau at 1-888-203-8100.

Thank you for your continued support of and participation in the E-rate program.

Subject: Mt. Pleasant Independent School District

Regina Conroy/Machelie McKay,

Universal Service Administrative Company has received your correspondence dated January 14, 2016, on January 14, 2016 regarding the FY 2014 funding decision of your FCC Form 471 Application Number 948569 - FRN 2664428. *Peoples-IA*

These are the steps that will now follow:

1. We will review your correspondence carefully to identify the specific issue(s) it raises.
2. We will consult the Program Integrity Assurance (PIA) records and all supporting documentation for the application. Our goal is to determine whether the program rules were administered appropriately in processing your application.
3. Once the review process is completed we will respond in writing and state whether your appeal is approved, denied or approved in part. A Revised Funding Commitment Decision Letter will follow for any approved appeal resulting in additional discounts for your application. Funds have been set aside to implement funding decisions for appeals approved by the USAC and/or the Federal Communications Commission.

We will perform an in-depth review of your appeal. Our goal is to respond to you as promptly as possible. We thank you in advance for your patience as we handle your appeal with the care and attention it deserves.

Universal Service Administrative Company
